Sales and Business Development Internship

Start Date: from now on
Duration: 4 – 6 months

Your Challenge

In order to support our constantly growing team, we are searching for a student looking for an internship in the Sales and Business Development department.

During the internship, you will get to know the many facets of this area and support our team in acquiring new customers and in the daily business. Maintaining and creating leads in our CRM system is just as much a part of your varied range of tasks as content creation and seeding.
In addition, you are responsible for the management of smaller projects.

These tasks can also be carried out as part of a working student activity.

Your Qualifications

- You are studying economics, business studies or similar studies
- You are looking for an exciting opportunity to gain working experience in a startup
- Ideally, you already gained initial experience in sales or project management
- You are open-minded, motivated and you work independently on given tasks
- You are a communication talent and not afraid of getting in touch with customers

Your Benefits

- Working with modern work equipment like MacBooks
- Extraordinary working atmosphere (Air Hockey and Nintendo Wii-Challenge or a DJ desk as creativity stimulation) and fancy team events
- Flexible working hours
- Active participation in the growth of the company as well as flat hierarchies and fast decision making processes
- Weekly workouts with our personal coach
- Gaining insights into an exciting field of activity as well as into the workday of a startup
